

Ledbury Probud Speakers for April to June

(* denotes Probud Member)

For General Distribution				
Date	Speaker	Subject	Summary	A/V
3 rd April	Howard Robinson [NB]	Captain Bligh and Mutiny	Captain Bligh, famous for the Mutiny on the Bounty, was, in actual fact, mutinied against on at least two other occasions. A brilliant navigator, he was able to sail the longboat, set adrift from the Bounty with 20 other crew over 4000 miles to safety.	Own laptop
10 th April	Easter	No Meeting		
17 th April	Tony Conder [RS]	Gloucestershire Observed	500 years of the county from diaries and journals *GUESTS ARE INVITED TO THIS TALK*	USB Stick
24 th April	AGM	No Talk		
1 st May	May Day	No Meeting		
8 th May	Coronation Day	No Meeting		
15 th May	Paul Murphy [PK]	Edgar Wallace - Man of Mystery.	His life story is just as interesting as Charlie Chaplin's	Own Laptop
22 nd May	Angela Hucke [SL]	The Bugatti Trust	Bugatti is most famous for racing cars of the 20s and 30s; but the family included an acclaimed and successful designer of furniture, interiors, pottery and jewellery and a sculptor of international renown. The Trust is a repository for an extensive historical collection of photographs, correspondence and Bugatti factory drawings and documents.	USB Stick *NEEDS Audio for Videos*
29 th May	Spring Bank Holiday	No Meeting		
5 th June	*John Campbell [AP]	The World's most expensive steel	For the highest stressed and most vulnerable components of aircraft, the steel used in safety-critical components is often re-melted up to three times. What could possibly go wrong?	USB Stick
12 th June	Peter Berry [TW]	The Khyber Pass or bust	My visit to one of the most bloodstained areas in the World came about mainly to experience the unique Khyber Railway. But as always scenery and culture form a large part of my talk.	Own Eqpt
19 th June	Ian Boskett [MH]	The Great Train Robbery 1963	Ian will be bringing some actual 1960s railway signalling equipment to demonstrate just how the gang brought the mail train, travelling at 95 mph, to a stop.	Own Eqpt
26 th June	*Harold Armitage [EW]	Home heating, yesterday, today and tomorrow	Home heating, how we were, are now and the future in the age of expensive energy.	USB Stick
